

Subject: Corrigendum

Tender Ref No:

Tender: Tender Document for Supply of Laptops

1. Laptop Specification

S.N	Parameter	Specification
For i5 processor		
1.	Processor	5th Generation Intel® Core i5 processor (3M Cache, up to 2.7 GHz) or Equivalent
2.	System Responsiveness & Performance	Intel Core i5 processor/ equivalent processor. Where the processor is other than Intel Core i5, name of the processor be specified along with the documentary evidence from an acceptable accrediting agency benchmark (SYSMARK 2007/SYSMARK 2014 or SPEC CPU 2006) score to be produced to confirm that the proposed processor is rated either equal or higher than the Intel Core i5 processor.
3.	Chipset	Integrated with processor
4.	Memory	8GB 2 DIMM DDR3L 1600Mhz
5.	Display	14 inch or above LED Display HD resolution (1366 x 768)
6.	Optical drive	DVD +RW (Internal or External)
7.	Hard disk drive	1 TB 5400RPM SATA Hard Drive
8.	Graphics	Integrated Graphics or above
9.	Accessory	AC Power Adaptor, Laptop Bag, Power Cord (Indian standard),
10.	Digital media reader	SD, SDHC, SDXC
11.	Battery	4 cell or more with Present Configuration.
12.	Front camera	Built in camera with 640 X 480 resolution or higher
13.	Connectivity	1 x USB 2.0, 2 x USB 3.0, Bluetooth, Microphone, Wi-Fi integrated adapter, Integrated 10/100/1000 LAN, HDMI port & VGA Port
14.	OS	Microsoft Windows 10 Professional 64 bit with Media
15.	Office	Microsoft Office 2013 Professional Plus Academic*
16.	Warranty	Support Service: Onsite Installation, configuration and Comprehensive maintenance for 3 Year. Note: 1. Attach Manufacture Authorization Certificate to sell and support the product Note: 2. Mention the product make, Model and part number in Technical Bid.

* The licenses should be in the name of BARTI, Pune

S.N	Parameter	Specification
For i7 processor		
1.	Processor	5th Generation Intel® Core i7 processor (4M Cache, up to 3 GHz) or Equivalent)
2.	System Responsiveness & Performance	Intel Core i7 processor/equivalent. Where the processor is other than Intel Core i7, name of the processor be specified along with the documentary evidence from an acceptable accrediting agency benchmark (SYSMARK 2007/SYSMARK 2014 or SPEC CPU 2006) score to be produced to confirm that the proposed processor is rated either equal or higher than the Intel Core i7 processor
3.	Chipset	Integrated with processor
4.	Memory	8GB 2 DIMM DDR3L 1600Mhz
5.	Display	14 inch or above LED Display HD resolution (1366 x 768)
6.	Optical drive	DVD +RW (Internal or External)
7.	Hard disk drive	1 TB 5400RPM SATA Hard Drive
8.	Graphics	Integrated Graphics or above
9.	Accessory	AC Power Adaptor, Laptop Bag, Power Cord (Indian standard),
10.	Digital media reader	SD, SDHC, SDXC
11.	Battery	4 cell or more with Present Configuration.
12.	Front camera	Built in camera with 640 X 480 resolution or higher
13.	Connectivity	1 x USB 2.0, 2 x USB 3.0, Bluetooth, Microphone, Wi-Fi integrated adapter, Integrated10/100/1000 LAN, HDMI port & VGA Port
